

## TAXICAB CHAUFFEURS ACCEPT COMPROMISE AND CALL OFF STRIKE

Drivers Will Try and Persuade  
"Open Shop" Companies to  
Hire Only Union Men.

Union taxicab chauffeurs early today voted to accept a compromise offered by representatives of employers, and there will be no general strike.

They had demanded a ten-hour day, \$2.50 wages and that extra help should be put on regularly; they accepted a compromise of an eleven-hour day and smaller concessions. They now have a twelve-hour day, with a \$2.60 scale.

The meeting was held at 3 A. M. by Chauffeurs' Local No. 267 at Gallagher's Hall, No. 163 East Fifty-fourth street, and the vote was completed at 5:30. The compromise had been tendered at a meeting between Millet C. Perkins, President, and J. G. Glynn, Secretary of the union, and representatives of taxicab companies at Healy's on Wednesday.

Three of the largest taxicab companies in New York have open shop, and were not represented in Wednesday's conference. The Renault company, which has the privileges at the Astor and Lafayette, and the Haverly, at the Hotel Belmont, were not represented in the compromise offer. These companies employ about 700 chauffeurs. The union chauffeurs in a few days will try to persuade the open shop companies to hire only union men and will try to get the Renault and Haverly concerns to sign the new compromise agreement.

### \$200,000 STADIUM NEAR.

Ground was broken yesterday for the new \$200,000 stadium of the College of the City of New York. Exercises were held in the chapel, and then President Finley escorted the invited guests to the site of the athletic field.

Adolph Lewisohn, who gave the money for the new stadium, turned on the first spadeful of earth.

The stadium will hold about 7,000 persons. The structure will extend along Amsterdam avenue from One Hundred and Thirty-sixth street to One Hundred and Thirty-eighth street.

### DOCTORS DID NOT HELP HER

Eut Lydia E. Pinkham's Vegetable Compound Restored  
Mrs. LeClear's Health—  
Her Own Statement.

Detroit, Mich.—"I am glad to discover a remedy that relieves me from my suffering and pains. For two years I suffered bearing down pains and got all run down. I was under a nervous strain and could not sleep at night. I went to doctors here in the city but they did not do me any good."

"Seeing Lydia E. Pinkham's Vegetable Compound advertised, I tried it. My health improved wonderfully and I am now quite well again. No woman suffering from female ills will regret if she takes this medicine."—Mrs. James G. LeClear, 336 Hunt St., Detroit, Mich.

Another Case.  
Philadelphia, Pa.—"Lydia E. Pinkham's Vegetable Compound is all you claim it to be. About two or three days before my period I would get bad backaches, then pains in right and left sides, and my head would ache. I called the doctor, and he said I had organic inflammation. I went to him for a while, but did not get well, so I took Lydia E. Pinkham's Vegetable Compound. After taking two bottles I was relieved and finally my troubles left me. I married and have two little girls. I have had no return of the old troubles."—Mrs. Charles Boell, 2630 S. Chadwick St., Phila. Pa.
